Introduction

Licensing Procedures: A Guide to Making Licensing Requests explains how to make the most common types of licensing requests.

This guide lists the most frequently requested licensing actions in alphabetical order. Beside each action is a list of documents and materials that must be submitted to the Licensure Section for that particular type of request. Individual forms, of course, may not answer the need of every situation; in some cases, therefore, supplying the most reasonable and logical documentation is the action to take.

Please mail application and request materials unfolded and without staples in a 9” x 12” envelope. Doing so will ensure the quickest possible response to each request. Questions about forms or procedures may be directed to the Licensure Section.

PLEASE DO NOT USE A HIGHLIGHTER ON ANY DOCUMENT. THIS MAY RESULT IN THE HIGHLIGHTED INFORMATION BEING DELETED IN THE SCANNING PROCESS.

PLEASE MAKE CERTAIN YOUR EMPLOYEES WHO ARE SUBMITTING PROCESSING FEES REQUIRED FOR THEIR REQUESTS ARE AWARE OF THE FOLLOWING:

IN THE EVENT PAYMENT IS REFUSED ON A CHECK, DRAFT, OR OTHER METHOD OF PAYMENT SUBMITTED WITH AN APPLICATION, ANY LICENSE DOCUMENT THAT HAS BEEN ISSUED WILL BECOME IMMEDIATELY NULL AND VOID.
